applications received from Govt. Sector-----80

applications received from Pvt. Sector-----284

## Registered VTPs -----32

(GITI -----27,

Govt. Poly.-----01

Employment Office-----01

Entrepreneur institute-----01

Pvt. ITIs -----02 )

## The challenges

- ❖ 80 % of new entrants to the workforce have no opportunity for skill training.
- ❖ Against 12.8 million per annum new entrants to the workforce, the existing training capacity is only 3.1 million per annum.

# The Indian Scenario

- Merely 8 % of all Senior Secondary Schools in India impart VE.
- Only 3 % of the students of Grade 11-12 are under the ambit of VE .
- Absence of linkage with changing market needs.
- Poor infrastructure.
- Absence of qualified staff .
- Lack vertical mobility.
- Absence of private sector in strengthening V E.

# Issues in Vocational Education

- Methodology to bring Senior secondary students into the VE stream ?
- How to integrate VE with mainstream general education?
- How to dovetail vocational courses with other Technical streams?
- How should labour market information system (LMIS), collaborate with industry for developing efficient LMIS.

## Efforts made

- The State has set up the State Skill Development Mission Society (SSDMS) headed by Chief Secretary which is holding quarterly meeting.
- The State has also set up a separate department for Vocational Education.
- The State also set up Vocational Education Board for coordinating the various aspects of skill development.
- Staff training & research centre has been established for training of trainers.
- Instructors Training Wing (ITW) has been established In Govt. ITI Sultanpur.
- 09 ITIs in Bundelkhand is about to complete.
- Out of 37 ITIs covered under MSDP ,08 ITIs is also going to complete.

# Proposed Scheme

- An ITI is to be established in Bangawan Distt. Gorakhpur under Tribal Sub Plan (TSP).
- One ITI and Two SDCs is to be established in Naxal Affected Distt. Sonbhadra under centrally sponsored scheme.
- An ITI is to be established in Badalpur Distt. G.B.Nagar.
- Five Skill Development Centers is to be established through centrally sponsored scheme.
- There are 438 unserved blocks and it is planning to establish at least one ITI in each unserved block.
- Planning to establish at least two SDC in each unserved block.

Thanks
