1. **INTRODUCTION- SCHEME FOR SOCIO ECONOMIC RESEARCH (SER):**

   The Scheme for Socio Economic Research (SER) of the Planning Commission aims at supporting Studies and Investigations in Planning Methodology and is implemented by the Socio Economic Research (SER) Division in the Planning Commission. Under the Scheme, grants-in-aid to Universities / Research Institutions / Individual Researcher are provided for carrying out research studies and organizing seminars/ workshops etc. relevant to the objectives and programmes of the Planning Commission.

   The objective of the scheme is to stimulate research on issues of economic/ social development and need assessment which have a direct bearing on plan formulation or implementation of policies, plans and schemes of the government in the process of development planning.

2. **RESEARCH ACTIVITIES ELIGIBLE FOR GRANTS-IN-AID:**

   Grants-in-aid will be given, for the following activities:

   (1). Undertaking Research Studies including granting of permission for publication of the findings/report of such research study;
   (2). Conducting Seminars/Workshops by institutions only; and
   (3). Publication of research work undertaken by Institutions as well as researchers affiliated to Institutions on the basis of merit of the case. The grant will be conditional so as to ensure publication of only quality research reports/work.

3. **ELIGIBILITY OF INSTITUTIONS & INDIVIDUAL RESEARCHERS for seeking grants-in-aid under the SER Scheme:**

3.1 Grants-in-aid under the Scheme of Socio-Economic Research (SER) are given only to eligible institutions. To be eligible the following criterions must be fulfilled:-

   (i) An Institution or Organisation set up as an Autonomous Organisation under a specific statute or as a Society registered under Societies Registration Act, 1860 or Indian Trusts Act, 1882 or other statutes; and academic Institutions accredited / affiliated to a University or Deemed University.

   (ii) For any Institution other than those covered under (i), the Institution

      a) must qualify to receive annual recurring grants by specific establishments of the Government like UGC, ICSSR etc., or
b) must have successfully executed projects* for certain institutions of Central Government which have been established for financing research, like CSIR, ICMR, ICAR or similar Central Government Organization set up primarily for the purpose of funding research work, or

c) must have successfully executed a research project* entrusted by any Ministry/Department of the Govt. of India or State Government.

*Successful execution of the research project is determined by acceptance of the completed project report and the Utilization Certificate (UC) issued by the Central Government Institution/ Ministry/ Department or Office that has released grants-in-aid to the institution for the research project.

**NOTE:** To qualify for grants-in-aid, under any one of the above criteria, the grantee/institution must have received the grants-in-aid for conducting research during the last three years and submitted the authentic documents, if required, to establish its eligibility and fulfill various conditions for receiving grants-in-aid under the SER Scheme of the Planning Commission.

Or

(iii) An institution can be declared to be eligible after assessment of:

a). its research output in the field of development planning/ performance in implementation of project under the scheme/ programme entrusted by the Ministry / Department of the Government;

b). the competence and availability of its full-time faculty members or its associates; and

c). infrastructure available with the institution for research work.

3.1.2 The eligibility of an institution will be assessed by SER Division of the Planning Commission. The modalities for assessment of competence of the institution for research will be determined by Planning Commission.

3.2. Any institution, which has been black listed or debarred from receiving any grant from the Government, will not be considered for funding under the SER Scheme.

3.3 Individual Research Scholars of repute in specialized field or those affiliated to eligible institutions are also eligible for funding under SER Scheme. Such scholars are required to submit research proposals, including their full bio-data indicating details of teaching or research experience, projects undertaken and completed etc.

3.4 The eligibility criteria for determining whether an individual researcher or an Institution should be considered of national repute shall be decided by Adviser-in-charge (SER) in consultation with Adviser-in-charge of the concerned Subject Division.
4. **RESEARCH PROPOSAL for STUDY:**

The research study proposals which are relevant to the policies, planning & programme of the Planning Commission in the process of development planning should be submitted in format as per *Annexure-I (A to D)*. Normally, proposals for evaluation study shall not be considered under the SER Scheme.

4.1 **TYPES OF STUDY PROPOSALS – SOLICITED & OTHER:**

4.1.1 **SOLICITED PROPOSALS:**

The Subject Matter Divisions (SMDs) of the Planning Commission shall periodically identify *Thrust Areas / Topics for Research Studies* and inform the SER Division who in turn will invite proposals from eligible Institutions or from individual researchers or researchers affiliated to institutions by putting up a list of such Thrust Areas / Topics for Research Studies on the official web site of the Planning Commission.

i) Research Study Proposals invited by the Planning Commission are treated as *Solicited Proposals*.

ii) A *SOLICITED PROPOSAL* shall be examined in the SER Division in consultation with the Subject Division and placed before the Group of Advisers (GOAs) for sanction of Grants-in-aid for Research Studies. The subject divisions will indicate how the proposed study will be useful to that Division in the discharge of its functions, and how the findings are proposed to be used after the study is completed.

4.1.2 **OTHER PROPOSALS:** Proposals submitted suo-motto by an Institution/Researcher on subjects of their specialisations are termed as *Other Proposals*. These proposals should be submitted, directly, to Adviser-in-Charge (SER) for further processing and obtaining comments & views of the concerned Adviser-in-charge of the Subject Matter Division and placed before the Group of Advisers (GOAs) for sanction of grants-in-aid for Research Study. The subject divisions will indicate how the proposed study will be useful to that Division in the discharge of its functions, and how the findings are proposed to be used after the study is completed.

The views of the concerned Ministry/Department need not be obtained by the subject Division.

4.2 **PROCESSING OF RESEARCH STUDY PROPOSALS AND DECISION:**

All research study proposals received by the Planning Commission shall be initially processed by the SER Division with the approval of Adviser-in-charge in accordance with these guidelines; and in consultation with the Adviser-in-charge of the concerned subject division and after obtaining the concurrence of the Additional Secretary and Financial Adviser (AS & FA), Planning Commission shall be placed before the Group of Advisers for sanction of grants-in-aid under the SER Scheme.
Group-of-Advisers (GOAs) for Grants-in-aid for Research:-

4.2.1 The Group-of-Advisers, headed by Secretary, Planning Commission or in his/her absence Principal Adviser (Plan Coordination) in the Planning Commission shall consider the research proposals from Eligible Institutions / Researchers for Grants-in-aid under the SER Scheme.

4.2.2 The Group of Advisers under the Chairpersonship of Secretary, Planning Commission or Principal Adviser (Plan Coordination) shall normally meet once every quarter of the Financial year to decide the quantum of financial support, duration, objectives, methodology and other parameters concerning the research study for all solicited as well as other proposals processed during the period between two meetings.

4.2.3 The proposals approved / rejected by the GOAs shall be put up for consideration of the concerned Member of respective Subject Division.

4.2.4 The SER Division shall thereafter issue a detailed sanction specifying terms and conditions for acceptance by the Institute / Researcher for undertaking the research study with the grants-in-aid provided under the SER Scheme.

4.2.5 A note on Research Study proposals finally approved shall be put up for information of Deputy Chairman, Planning Commission.

4.2.6 In priority cases the Secretary, Planning Commission may give formal approval for grants-in-aid for the research proposal on the basis of recommendation of Member-in-Charge of Subject Division and concurrence of AS & FA, Planning Commission. Such proposals shall be placed before GOAs at its next Meeting for information (Note: Priority Study is defined below para 4.3).

4.2.7 For examination of Research Study Proposals for grants-in-aid or reviewing of progress / draft report/ final report of the study, the concerned SMD shall offer their comments/views within a period not exceeding six weeks.

4.2.8 The SMD may ask, if required, for a presentation from the institution on objectives and methodology of the proposed study; about the profile of the institution as well as Project Director in the context of quality and usefulness of the study.

4.2.9 A proposal for grants-in-aid can be rejected before being put upto GOAs by the Adviser (SER)/Deputy Adviser or Deputy Secretary (SER), if necessary, in consultation with the Subject Division and under intimation to the Institution on one of the following grounds:

i. The proposal is not as per the format prescribed in these Guidelines or accompanied by requisite documents;
ii. Report of an earlier study conducted by the Institution or the Utilization Certificate or any other information sought in connection with the study proposal is pending;

iii. The subject matter of proposed study is considered not relevant to the Planning Commission or not as per the requirement of the Planning Commission; or/and

iv. The sample size, area of coverage or methodology proposed is found to be not up to the mark.

4.3 AMOUNT OF FINANCIAL SUPPORT AND TIME LIMIT FOR RESEARCH STUDIES:

4.3.1 Grants-in-Aid for Studies: The ceiling for the cost for studies is admissible as indicated below:

i. In case of small sample size studies, up to Rs. Eight lakh.

ii. In case of medium sample size studies up to Rs. Twelve lakh.

iii. In case of substantially big sample size studies, considering the significance, usefulness and desirability of the study, assessed by the Adviser -in- charge (SER), up to Rs. Fifteen lakh.

iv. The ceiling of Research Studies undertaken by an Individual Research Scholar would be up to Rs. Three Lakh

Or

The actual expenditure incurred by the grantee institute/ researcher, whichever is less.

*****************************************************************************

Definitions: - The following standard and norms shall be considered for respective categories of the studies for grants-in-aid, based on average possible sample size of 150 sample units per State/UT:

Small Sample Size Study: Generally covering up to four States/ Union Territories (UTs) or one to eight districts from the selected States/UTs or total sample size not less than 600 final stage units (respondents).

Medium Sample Size Study: Generally covering up to eight States / Union Territories (UTs) or nine to sixteen districts from the selected States/UT or total sample size not less than 1200 final stage units (respondents).

Big Sample Size Study: Sample size of the study or coverage of states or districts beyond those of medium sample size study. The decision in this regard would be taken by the Adviser-In-Charge (SER), in consultation with Adviser-in-charge of the concerned Subject Division.

Cost & Duration of the study based on secondary data: would be considered in any of the above categories and specified by the Adviser-In-Charge (SER) for grants-in-aid, in consultation with the Adviser-in-Charge of the concerned Subject Division.
**Priority Study:** The study proposals on specific recommendation from Prime Minister’s Office; Deputy Chairman or Members, Planning Commission shall be considered as *Priority* studies for Grants-in-aid, based on the cost estimate, duration etc. as per para 4.2.6 of these guidelines.

**********************************************************************

4.3.2 The **Time Limit** for completion of any research study in case of (i) Small Sample Size not more than 8 Months (ii) Medium Sample Size not more than 10 Months; and (iii) Big Sample Size not more than 12 Months. The requests for extension in the period for completion of the on-going study may be considered on merit by the Adviser-in-Charge (SER).

4.3.3 The **date of release of first installment by Planning Commission shall be considered as the date of commencement of the research study for consideration of the duration/period of completion of the assigned study.** The time taken by Planning Commission in examining a progress report/draft report/final report will not be taken into account in calculating duration of a study.

4.4 **DISBURSEMENT OF AMOUNT FOR RESEARCH STUDIES:**

8.3.3 The Institution or the Director-in-charge of the project will not accept any financial assistance from any other source(s) for the project assigned under the scheme.

8.3.4 Institutions will have to bear a part of expenditure from their internal resources. All proposals for financial support will need to be approved by the Planning Commission before the commencement of research study or date of Seminar/Workshop.

8.3.5 First and subsequent installments of approved grants-in-aid will be released after perusal and review of requisite documents or report of study or proceedings of seminar etc submitted by the institute.

8.3.6 No capital expenditure will be incurred from the grants-in-aid provided for the project.

8.3.7 Certificate of expenditure incurred, against approved amount of grants-in-aid on the Planning Commission project, will be issued by Registrar of the University, Head/Secretary of the Society and/or by any officer of the institution empowered to execute legal documents on behalf of the institution.

8.3.8 The intimation/information about the preparatory work including selection/appointment of staff and their training, pilot study, drawing of sample, schedule construction, collection & compilation of data etc. for the study may be sent to the Dy. Secretary/ Dy. Adviser (SER) in accordance with the Budget / Time Frame proposed prior to approval of the study by the Planning Commission to facilitate monitoring of the execution and performance of the assigned study.
8.3.9 **Head of the SMD**, Planning Commission will be the ‘**Nodal Officer**’ for monitoring the financial and physical progress of the research study. Hence, a copy of all the correspondence pertaining to the study should also be endorsed to Head of the SMD.

8.3.10 Planning Commission, if desired, may carry out site visit for review of field survey/work being carried out by the grantee for the study.

8.3.11 Any intimation or Progress/ Draft/ Final Report of research study or Proceedings of Seminar etc. will be submitted to Deputy Adviser / Deputy Secretary (SER Division), Planning Commission by the Project Director / Principal Research Worker or Head of the Institution through the proper channel.

8.3.12 The **DISCLAIMER** mentioned at Para 7.1 of Guidelines should be depicted on the final printed version of the Report of the study or any complete research undertaken with the grants-in-aid provided under the SER Scheme.

8.3.13 The assignment should be completed within the time stipulated in the agreement. Delay in submission of the report of study / proceedings of seminar etc. beyond the stipulated time will attract penal provisions of the bond executed by the grantee. For factors beyond the control of the Institution in completing the assignment in time, extension of time may be considered, provided the institution is able to furnish adequate justification for the delay.

8.3.14 No extra/additional amount would be paid for any escalation in the cost of the study/ assignment beyond the time period stipulated in the letter of approval.

8.3.15 The grants-in-aid for the study as accepted by the Institution will include service tax and other taxes, if any, and the liability of payment of the tax will be of the Institution conducting the study.

8.3.16 During the period of the assigned research, Planning Commission may modify the TOR (Terms of Reference) and other terms and conditions of the assignment, if necessary, in order to widen its scope/ coverage in consultation with the grantee organization without any escalation in cost or duration of the study.

8.3.17 If the progress or performance of the grantee conducting the research study/seminar/publication work is not found to be satisfactory by the Planning Commission, the grants-in-aid sanctioned shall be discontinued, and the amount already paid to the Institution shall be recovered, if considered necessary in accordance with conditions of the Bond executed by the grantee.
9. **OTHER CONDITIONS FOR ACCEPTANCE OF THE GRANTEE FOR UNDERTAKING RESEARCH:**

9.1 Planning Commission sanctions the amount of the grant-in-aid in favour of the Institution or University with which the Director/Principal Research Worker of the project is associated / employed. All sanctions of the Planning Commission will be issued in favour of the Institution or University and not to an individual of the Institution/University.

9.1.1 However, *Individual Research Scholars* of repute in a specialized field may be considered eligible for funding under SER Scheme.

9.1.2 Project Director or the Principal Research Worker of the study will be specified by the Planning Commission in the letter of approval.

9.2 The Institution will be required to submit a certificate from the Director/Principal Research Worker-in-charge of the project to the effect that the expenditure has been incurred in accordance with the conditions specified in the letter of approval.

9.3 The persons employed in the project will be treated as the employees of the Institution and not of the Government and the conditions of their service will be governed in accordance with the rules and order of the Institution applicable to such persons. In regard to traveling and daily allowance, the scale appropriate to the respective classes of employees of the above named institution will be applicable to them. Foreign travel is not allowed.

9.4 The Institution shall provide infrastructure facilities, viz., accommodation, furniture, research facilities, library, laboratory, equipment, etc. secretarial & managerial staff and material and secretarial assistance required for the project for which a budget provision may be made by the Institution under “Overheads”

9.4.1 The ‘Overhead Cost’ admissible is up to 12% of the total cost, which may accrue to the institute for meeting expenses other than those clearly specified. In exceptional cases Planning Commission may consider a provision of overheads up to Fifteen per cent of the cost of the study.

9.5 Final installment/amount of the total grants-in-aid will be with-held till the Planning Commission receives (i) 15 or desired number of copies of the final report of the research study/proceedings of seminar, (ii) CD-ROM containing the complete report of study/ if possible, of seminar containing complete proceedings (iii) Utilization Certificate for the full amount approved, and (iv) Certified Statement of expenditure on the research project / seminar from the Institution concerned.
9.6 The Institution or the Director/Principal Research Worker of the project will not make available data collected for the project to any other person without the prior approval of the Planning Commission.

9.6.1 The project shall not be used by the Director-in-charge or his associates for the preparation of their Doctoral thesis or for other degrees/diplomas, etc. till the report is published.

9.7 The Institution or the Director-in-charge of the project shall make suitable arrangements for the safe custody of raw data such as filled in schedules, tabulation or working sheets, tapes, CD/Floppies, manuscripts of the reports, etc. relating to the research work for a period of three years after completion of the Research Study. The Planning Commission may ask at any time for perusal/review of raw or processed data collected for the assigned study under the SER Scheme by the grantee.

9.8 If the Project Director associated with the project leaves the Institution at any stage after commencement of the study, the project may be continued by appointing a new Project Director by the institute, under intimation to Planning Commission and without causing any hindrance in the progress of the study. Thereafter, if the progress of the work of the study is not found satisfactory by Planning Commission, the study may be discontinued and the amount released till date shall be recovered, (as per Para 4 of the Bond executed) from the Institute/Individual Researcher.

9.9 On the completion of the study, the Institution will have to submit two copies of the draft report for comments and suggestions of Planning Commission and desired number of copies of the final report along with full report on a floppy (3.5”) or a CD-ROM for the use of Planning Commission.

10. TRAVELING EXPENSES TO INSTITUTIONS / RESEARCHERS:

The necessary Traveling Expenses (II AC Rail Fare) or the actual fare, whichever is less, may be reimbursed by the Planning Commission under the SER Scheme to Individual Researcher or not more than two representatives of the Institution located outside Delhi:

1). For making presentation on the objectives and methodology of the study proposed in the Planning Commission, if desired, before placing of the proposal for GOAs consideration and, also

2). For making presentation in the Planning Commission on Draft Report or Final Report of the study on completion and submission of the assigned study.
